

Conditions.

(a) Wood for weighment should be taken lot by lot in the order shown by the Koti Officer. Until each lot is fully weighed out and restacked, the next lot should not be meddled with or disturbed.

(b) Within two days of intimation given to him by the Officer, in charge of Koti, the contractor will arrange for sufficient labour to weigh out wood in two or more scales at the rate of at least 30 tons per day. The wood weighed out in each day should be simultaneously restacked at the place to be shown by the Officer in charge of the Koti, the dimensions of each stack being regulated by the instructions of the above Officer. The weighment will be continued from day-to-day until it is put off by the weighing Officers. The contractor will be bound to resume the work again within two days of intimation given to him to do so.

(c) The place at which weighment is made must be kept clean by the coolies of the contractor. The coolies will submit to the disciplinary measures that may have to be adopted for the peaceful conduct of weighment and stacking. Any cooly found disobeying the instructions of the Officer in charge of the Koti may be turned out of the Koti by the Koti Officer.

(d) For the violation of any of the aforesaid conditions, the whole or any portion of the security deposit will be liable to forfeiture to Government at the discretion of the District Forest Officer. If the contractor fails to start or resume work, as indicated above, and to show satisfactory progress on each day, the District Forest Officer will be at liberty to cancel the contract, forfeit the security and make other arrangements for the work, the contractor being liable to pay to Government any expenditure that may have to be incurred for the work in excess of the rate accepted by him under the contract.
